SERVICE	BENEFIT AMOUNT	FREQUENCY
Eye examination	Covered by your Kaiser Permanente Health Plan benefit. Book an eye exam on kp2020.org . No charge for preventive screening.	No limit
Frames for prescription eyeglasses	\$200 allowance toward the purchase price of a frame for prescription glasses. To use the optical benefit, at least one of the two lenses requires a prescription.	24 months
Lenses	One pair of regular eyeglass lenses will be covered at no charge - standard, clear plastic single vision, bifocals or no-line progressives.	12 months
OR Contact lenses instead of eyeglasses	\$200 allowance toward the purchase price of contact lenses, fitting, and dispensing.	12 months

You can only use your optical benefit at a Kaiser Permanente Optical Center.

¹ Co-pay may apply.

² Northern California: Choose from Vision Essentials' collection of \$20 frames and add standard, plastic single vision lenses at \$49 (for a total cost of \$69). Southern California: Choose from Vision Essentials' collection of \$19 frames and add standard, plastic single vision lenses at \$50 (for a total cost of \$69).

³ Regular prices for these brands are typically \$110 – \$215.

Kaiser Permanente members typically have coverage for medically necessary eye examinations, and some members, including those members with the pediatric vision benefit under their Affordable Care Act plan, may be able to apply a supplemental benefit to their purchases. Otherwise, the services and products described here are provided on a fee-for-service basis, separate from and not covered under your health plan benefits, and you are financially responsible to pay for them. For specific information about your covered health plan benefits, please see your *Evidence of Coverage*.
