<sup>1</sup>For \$69 glasses, choose from over 20 styles of frames at \$20, and get plastic single vision lenses at \$49 (\$49 for the lenses, plus a \$20 frame equals \$69).

<sup>2</sup>For \$149 glasses, choose from over 20 styles of frames at \$20, and get plastic multifocal lenses at \$129 (\$129 for the lenses, plus a \$20 frame equals \$149).

Kaiser Permanente members typically have coverage for medically necessary eye examinations, and some members, including those members with the pediatric vision benefit under their Affordable Care Act plan, may be able to apply a supplemental benefit to their purchases. Otherwise, the services and products described here are provided on a fee-for-service basis, separate from and not covered under your health plan benefits, and you are financially responsible to pay for them. For specific information about your covered health plan benefits, please see your Evidence of Coverage. Photos of models shown, not actual patients. 9/2019 J
