4. Please read this important information

If you are a member of a Medicare Advantage plan (like an HMO or PPO), you may already have prescription drug coverage through your Medicare Advantage plan that will meet your needs. By joining UnitedHealthcare® MedicareRx for Groups (PDP), your membership in your Medicare Advantage plan may end. This will affect both your doctor and hospital coverage as well as your prescription drug coverage. Read the information that your Medicare Advantage plan and your plan sponsor send you, and if you have questions, contact your Medicare Advantage plan or your plan sponsor.

UnitedHealthcare® MedicareRx for Groups (PDP) is a Medicare prescription drug plan available through your plan sponsor. If you enroll in an individual prescription drug plan in the future, you could lose your group sponsored coverage and you may not be able to re-enroll. Before you decide to change your coverage, ask your plan sponsor about your options. Counseling services may be available in my state to provide advice concerning Medicare supplement insurance or other Medicare Advantage or Prescription Drug Plan options, medical assistance through the state Medicaid program, and the Medicare Savings Program.
