

See Your World in a Different Way

1. Look through this card to see how vision problems can change your world.
2. Visit vsp.com to find a doctor near you.
3. Schedule your annual WellVision Exam[®].

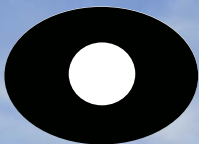

Check out the **Eyecare Discovery CenterSM** at vsp.com for eyecare articles, videos, and more!

Questions?
Call **800.877.7195**.

DIABETIC RETINOPATHY

can be prevented with regular eye exams 90% of the time.

GLAUCOMA

will take you by surprise — there aren't always symptoms.

MACULAR DEGENERATION

won't cause noticeable damage until it's too late.

CATARACTS

are the main cause of low vision and blindness in the U.S. today.
