- Subcontractor List information required at time of bid opening and full, complete details are due within 24 hours of bid opening.
- CARB Certificates of Reported Compliance must be submitted with their bid. Subcontractors' certificates can be submitted within 5 calendar days of the bid opening.
- While DIR registration must be up to date and paid, the DIR website is experiencing difficulties and an inability to register due to those technical issues with their website should not prevent bidding or award.
