Project Website: <https://www.fresnocountyca.gov/Departments/Public-Works-and-Planning/Construction-Bidding-Opportunities/26-01-C-Travers-Creek-Bridge-Replacement-on-E-Manning-Avenue>

Agenda

1. Introductions / Sign In

- Staff - Public Works & Planning
- Contractors – Please state name and firm

2. Description of the project as in the Notice to Bidders

The work to be done consists, in general, of removing and replacing the structurally deficient two-lane bridge with a bridge that will accommodate four lanes and will be striped for two lanes, with a width of 77.5 feet and length of 64.5 feet. The Travers Creek Bridge on Manning Avenue (Bridge No. 42C-0175 / 42C) is located near the city of Reedley, approximately 0.6 miles west of Alta Avenue. The new bridge structure will consist of precast, prestressed concrete, voided slab with a concrete deck supported on concrete abutments and Cast-In-Drilled Hole piles. The work also includes installing concrete barriers, guardrail system, and channel slope protection. The project will also reconstruct a total of 1,144-foot length of asphalt concrete approach roadways and re-stripe the pavement. Drainage swales and pipes will be installed at the roadsides of the approachways and erosion control items will be installed on disturbed areas.

3. Disadvantaged Business Enterprise (DBE):

- DBE Contract Goal: No Goal

4. Bidding Logistics and Contract Requirements

- Hardcopy and Electronic Bids
- Bid Security
- Subcontractor Details
- DIR Registration
