Fresno County General Plan currently is using an outdated Kings River Regional / specific Plan to Manage / Guide Kings River ~~Development~~ Regional Development Concerns, The outdated Plan currently is Not Modern enough to Address the talked ~~Ab~~ about Development by the Harris Company Near Pine Flat / Advocado Lakes.

The Kings River Region has changed significantly since the last General Plan update (Highway 180 extension, Increased ^{Recreation} Recreation Activity on the River Corridor, Ground extraction has Increased (A well))

Phase include A modernized Kings River Regional / specific Plan in the Grand Plan update. The last Grand Plan update was silent on ~~the~~ an updated Kings River Specific Plan -

ISSUES

Open Space & Conservation, Land Use, Recreation, Agriculture, Growth
Resource Protection, Enhanced Quality of Life, ^{Accountable}

I Live Near Kings River. It is where
A Large Port of my Neighbors ~~Area~~ take Advantage
of Recreational opportunities - The ~~the~~ Majority of Fresno
County Parks ARE Along the Kings River. The Surrounding
towns Along the Kings River are many disadvantaged Communities
(Sanger, Orange Cove, Palmar, Del Rey, Reedley, Orosi, Coalinga, Dinuba, Kingshew, Selma)
Please Address more Resources going to Argument Recreational
Development Along the Kings River.

Issues = open space, Recreation, Environmental Justice, Enhanced Quality of Life.

Thank You - John GRAY

I live near Parker A disadvantaged community -
Please Address the ROAD SIDE Trash Dumping -
Typically North of the Disadvantaged Cities / towns
(Lincoln Ave, Palmer Ave, Adams Ave, Newmark Ave And Kings River)
I have had A Boat^{20'}, kitchen, Bedroom, Roof, Tires, oil,
500 lbs Marijuana - All dumped on my Street last year / recently
This is ongoing chronic issue ^(past 20 years) ~~It~~ could Fresno
County Please Make Available long term, low cost
Dump sites - It would be more cost effective to have ^{one}

The ~~for~~ County Have Dumpster drop offs at Conty Yards
(One on Manny Ave). Currently the ~~for~~ County Contracts for
ROADSIDE Trash - It's expensive and not working.
Plus there is Tons of Dumping Along the
Rail ROAD Tracks -

Thank You - John GRAY

Shower Lake has AN ISSUE with Fire

Management, Fresno County / Shower Lake in the Past Had a

Fire Free Pine Needle Dump AREA, The Dump AREA was for

Shower Lake Residents to have a place to clear their

Home/Lots and ^{Dispose} ~~Area~~ of needles - ~~The~~ The "Pine Needle Dump"

has been closed for years - Resulting in Build up All

over town & surrounding AREAS ~~in~~ are increasing Fire Risk

Please Consider Reestablishing A Low Cost / Free

"Pine Needle Dump" This will help Fire Management, Air Quality, →

open space, Conservation, LAND USE, Public Services, Resource Protection

Please Re-Establish The Pine Needle Dump in
Shaver LAKE
