Shaver Lake Citizens Advisory Council Meeting April 30, 2026

The Citizens Advisory Council (CAC) for the Fresno County-managed Shaver Lake Waterworks Districts and County Service Areas will hold its next public meeting on Thursday, April 30, 2026, at 3:00pm at the Shaver Lake Community Center (41344 Tollhouse Rd, Shaver Lake, CA 93664).

This meeting provides an opportunity for residents and property owners within the following County-managed service areas to receive updates and share input on local water, sewer, fire protection, and recreational services.

Districts represented by the CAC include:

- **Waterworks District 41W (WWD 41W):** Shaver Lake Water Service
- **Waterworks District 41S (WWD 41S):** Shaver Lake Sewer Service
- **County Service Area 31B (CSA 31B):** Shaver Lake Village Sewer Service
- **County Service Area 31 (CSA 31):** Shaver Lake Fire Protection and Recreation Services

Please note: This CAC does not represent privately managed water systems or mutual water companies in the Shaver Lake area.

Council vacancies and election:

The council currently has two vacancies. An election to fill these seats will take place during this meeting. Interested property owners within the represented districts are encouraged to attend and consider running for a seat.
