COUNTY OF FRESNO

COUNTY SERVICE AREA 39
ZONE A AND B
BERAN WAY - PROSPECT/GROVE

FISCAL YEAR 2023-2024

Submitted By:
DEPARTMENT OF PUBLIC WORKS AND PLANNING

Prepared By:
RESOURCES DIVISION

June 2023

NARRATIVE

County Service Area 39, Zone A (Beran Way) and Zone B (Prospect) (CSA 39AB), was formed in 1990 to provide domestic water service to two residential subdivisions west of the incorporated City of Fresno, near Valentine and Jensen Avenues and includes West Park School (APN: 327-140-377) on 2695 South Valentine. Originally, plans called for similar but physically separate well development projects, one in each zone. Due to subsequent design as well as State and Federal grant requirements, a pipeline system to bring water purchased from the City of Fresno to CSA 39AB was constructed instead. A "Mandatory Connection Ordinance" requires eligible parcels with a dwelling to pay service fees to finance the operations and maintenance of the water system. A parcel is eligible if it paid the original assessment to have a point-of-connection and meter installed in 1993. Although there are two zones of benefit (zone A and B) the district shares one budget for administrative cost efficiencies.

Excluding the school, there are a total of 166 parcels in CSA 39AB of which two are exempt and two are unbuildable. There are 164 meters on 162 parcels. CSA 39AB currently has 141 customer accounts including the school.

PROPOSITION 218

A rate adjustment procedure in FY 20-21 established the current fee structure. The rate includes two components. The first component is a base fee for all water users that covers the cost to operate and maintain the CSA 39AB water system. The second component is a commodity fee for the water itself, based on actual monthly water usage. The fees are billed bi-monthly.
