## NARRATIVE

County Service Area 43 (CSA 43) formed in 1991 to provide street lighting and community park maintenance in the unincorporated community of Raisin City. The Raisin City Highway Lighting District previously provided the street lighting services. Raisin City Park and Recreation District provided park maintenance prior to 1989.

The park consists of a 0.98-acre parcel located south of Manning Avenue and west of Ormus Avenue, near Henderson Road. Annual assessments from developed parcels within CSA 43 fund the park maintenance and street lighting services.

There are currently 75 parcels developed with one or more dwellings or structures. This includes the Raisin City Elementary School, which is billed separately for the park maintenance and lighting. CSA 43 also receives a portion of property tax revenues from the State.

## PROPOSITION 218

A rate adjustment proceeding was conducted in FY 14-15 to increase park maintenance and street lighting fees. A majority of property owners protested the proposed rates. The residents of CSA 43 have since requested that staff cancel the landscaping contract for the park as a cost savings measure. Residents decided to volunteer to maintain the landscaping of the park to help build up the cash reserves for the district.

In FY 15-16 the Citizens Advisory Committee (CAC) stated that the volunteer effort to maintain the park was declining in participation. In FY 22-23, the CAC requested that maintenance and repair work be completed at the park. Tree trimming was completed as well as servicing to the irrigation system.

A rate adjustment procedure in accordance with Proposition 218 is anticipated for FY 25-26.

## GRANTS

In FY 22-23, Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program, which was authorized by the American Rescue Plan Act, allocated \$400,000 to CSA 43 for improvements to the Raisin City Park.
