An online version of this map that allows you to zoom in and out for more detail is available as a link from the project website.

Each number indicates the total population of that "population unit" area. Each district must have essentially equal population. The population of each of the 5 districts must be close to 201,700, with no more than a 20,170 difference between the largest and smallest. These population figures have been updated on Sept. 29 to reflect the final, state-adjusted Census data.

Please use a thick dark-colored pen to draw your map, then submit it at the County Administrative Center or by email to FresnoCountyRedistricting2021@fresnocountyca.gov. You can hand-deliver, mail, fax, scan and email, or photograph and email your map.
