NOTICE AND ACKNOWLEDGMENT

INDEMNIFICATION AND DEFENSE

The Board of Supervisors has adopted a policy that applicants should be made aware that they may be responsible for participating in the defense of the County in the event a lawsuit is filed resulting from the County's action on your project. You may be required to enter into an agreement to indemnify and defend the County if it appears likely that litigation could result from the County's action. The agreement would require that you deposit an appropriate security upon notice that a lawsuit has been filed. In the event that you fail to comply with the provisions of the agreement, the County may rescind its approval of the project.

STATE FISH AND GAME FEE

State law requires that specified fees (\$2,839.25 for an EIR; \$2,044.00 for a Negative Declaration) be paid to the California Department of Fish and Game (DFG) for projects, which must be reviewed for potential adverse effect on wildlife resources. The County is required to collect the fees on behalf of the DFG. A \$50.00 handling fee will also be charged as provided for in the legislation to defray a portion of the County's costs for collecting the fees.

The following projects are exempt from the fees:

- 1. All projects statutorily exempt from the provisions of CEQA (California Environmental Quality Act).*
- 2. All projects categorically exempt by regulations of the Secretary of Resources (State of California) from the requirement to prepare environmental documents.*

A fee exemption may be issued by DFG for eligible projects determined by that agency to have "no effect on wildlife." That determination must be provided in advance from DFG to the County at the request of the applicant. You may wish to call the local office of the DFG at (559) 222-3761, if you need more information.

Upon completion of the Initial Study you will be notified of the applicable fee. Payment of the fee will be required before your project will be forwarded to the project analyst for scheduling of any required hearings and final processing. The fee will be refunded if the project should be denied by the County.
