prior to the end of the Planning Commission meeting.

Noticed Public Hearings

All written comments must be received by the close of the ten (10) minutes public comment period. All written comments received by the close of the ten (10) minutes public comment period will be read aloud by a staff member during the applicable agenda item, provided that such comments may be read within three (3) minutes allotted to each speaker. Any portion of comments received that extends past three (3) minutes may not be read aloud due to time restrictions but will be included in the record of proceedings.
- If a comment on a public hearing item is received after the close of the ten (10) minutes public comment period, such comment will be treated like a general public comment and made part of the record of proceedings, provided that such comment is received prior to the end of the meeting.
- If the agenda item involves a quasi-judicial matter or other matter that includes members of the public as parties to a hearing, those parties should make arrangements with the Planning Commission Clerk to provide any written materials or presentation in advance of the meeting date so that the materials may be presented to the Planning Commission for consideration.
