### ADDENDA/ATTACHMENTS

ADDENDUM – SALARIES

ADDENDUM – EMPLOYEE GRIEVANCE RESOLUTION PROCEDURE AND FORM

## ARTICLE 1 -- INTRODUCTION/PURPOSE

We the Undersigned, duly appointed representative of the County of Fresno, hereinafter referred to as "County" and the Service Employee International Union, Local 521, hereinafter referred to as "Union", having met and conferred in good faith, do hereby jointly prepare and execute the following written Memorandum of Understanding (MOU) for Representation Unit 4. It is the purpose of the MOU to promote and provide for harmonious relations, cooperation, and understanding between management and the employees covered herein and to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this MOU.

## ARTICLE 2 -- RECOGNITION

Pursuant to the provisions of the Fresno County Employee Relations Ordinance, the certification of the Fresno County Civil Service Commission, and appropriate state law, the County hereby recognizes the Union as the exclusive representative of all employees whose classifications have been certified for inclusion by the Fresno County Civil Service Commission in Unit 4.

Should any classification be certified for inclusion by the Fresno County Civil Service Commission during the term of this MOU, the Employee Relations Ordinance, section 3.12.240 governs.

## ARTICLE 3 -- NON-DISCRIMINATORY POLICY

Neither the Union nor the County shall unlawfully discriminate against any employee for reasons prohibited by law.

## ARTICLE 4 -- DUES AND DEDUCTIONS

The Union shall have the regular dues of its bargaining unit members deducted from their paychecks under procedures as follows:

The Union is solely responsible for distributing to, and collecting from, employees the dues and voluntary deduction authorization forms. It is the employees' responsibility to submit requests to start or stop deductions directly to the Union and not to the County. The Union is responsible for maintaining the deduction forms from individual employees. Copies of an individual employee's deduction authorization need not be provided to the County unless a dispute arises about the existence or terms of the authorization. Questions regarding Union membership, dues amounts, and payroll deductions must be directed to the Union and not the County.

The Union will provide to the County an updated, certified deduction list of bargaining unit members who have provided written authorization for deductions. The County will make deductions for only those employees who are in the bargaining unit in accordance with such certified list. The Union will notify the County of any change to an employee's deductions, including starting and stopping deductions, or validly cancelling or revoking a deduction authorization, and will provide the County on a weekly basis, an updated, certified deduction list noting any specific changes from the last list provided to the County. The County will implement the change(s) in the pay period following the County's receipt of such notification. The Union will pay the County's standard administrative fees for payroll deductions, which is currently estimated at \$0.03 per

employee for all dues paying bargaining unit members, per pay period. Upon written notice from the County, the Union agrees to reopen and meet within 30 days of notice to increase administrative fees. Following the County's deductions of these administrative fees, the County will electronically transmit the balance of funds to the Union no later than thirty (30) days after the deductions occur.

The Union shall indemnify, defend, and hold the County, its officers, agents, and employees harmless from and against any and all claims, demands, losses, defense costs, suits, or other action or liability of any kind or nature arising from this section, including, claims for or related to employee authorizations, revocations, deductions made, cancelled, or changed in reliance on the Union's representations and certifications regarding employee dues deduction authorizations.

This section of the MOU is not grievable.

#### ARTICLE 5 -- REPRESENTATIVE ACCESS

Consistent with the County Employee Relations Ordinance, authorized Union representatives will be granted reasonable access to work locations, with the approval of the appropriate management representative, for the purpose of conducting grievance investigations and observing working conditions.

To gain such access, Union representatives shall obtain permission from the department head or designee at least one business day in advance. Once access permission is granted and the representative arrives, the representative shall confine activity specifically to the stated reason for the requested access.

#### ARTICLE 6 -- RELEASE TIME

The Union Field Representative/or Chapter President will submit a written request to the department head at least three (3) business days prior to the scheduled meeting unless waived by mutual agreement. Reasonable time off will be approved if it does not interfere with the performance of County services as determined by the department head.

As the out-of-unit supervisor is the representative for management, the Shop Steward is the representative for the Union. They must be willing to meet in good faith to settle grievances as they arise. Upon request of the aggrieved employee, and when the grievance has been reduced to writing as specified in the grievance procedure, a Steward may investigate the grievance provided it is in the Steward's area of responsibility (same department), as assigned by the Union, and assist in its presentation. Stewards shall be allowed a reasonable time for this purpose during their work shift without loss of pay, subject to prior notification and approval by their out-of-unit supervisor. Grievances will be handled by one (1) Steward, but the Union may assign not more than two (2) Stewards to a group grievance.

After obtaining out-of-unit supervisory permission, Shop Stewards will be permitted to leave their normal work area during on-duty time in order to assist in presentation of a grievance. To obtain permission to investigate a grievance during on-duty time, the Steward shall advise the out-of-unit supervisor of the general nature of the grievance. The Shop Steward is permitted to discuss the problem with all employees immediately concerned and if appropriate, to attempt to achieve settlement with the appropriate management representative involved. Agencies, wards, clients, detainees, and outside interested parties will not be contracted by Stewards as part of the grievance process.

If, in the judgment of the out-of-unit supervisor because of the necessity of maintaining adequate level of service, permission cannot be granted immediately to the Shop Steward in order to present or investigate a grievance during on-duty time, such permission shall be granted by the out-of-unit supervisor no later than the next working day from the date the Shop Steward was denied permission.

Should the desired conference room or other meeting area be unavailable at the requested time prior to the meeting taking place, the County will make a reasonable effort to notify the Union as soon as practicable, and the Union shall work with the County's designated representative to find alternative times and/or comparable locations for the requested meetings. Conference Rooms and meeting areas may only be reserved for dates no further than two weeks into the future. The administrator is responsible for the accuracy of all deductions submitted. Any incorrect deductions or refunds will be handled by the administrator.

Deductions shall begin and end based on the file sent by the administrator of the life insurance provider, provided there is enough net compensation in the employee's check to accommodate the deduction.

Use of holiday time off shall be at a time mutually agreed upon by the employee and department head or his/her representative.

Employees shall not be allowed to accrue any additional hours until their holiday accrual falls below 24 hours, and their combined hours fall below the maximum sixty (60) hours. Management agrees that training programs will not be established for the purpose of depriving qualified employees of higher earnings.

Further, that in the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this MOU, and will immediately advise the Union of such agreement or law. It is mutually understood and agreed that such notification is simply for informational purposes and shall in no way be construed as obligating the new employer to recognize the Union as a bargaining agent for its employees; and that the intent of this notification is not to require that the new employer abide by terms of this MOU, but rather as an assistance in apprising the new employer of working conditions which have been in effect with the County.

The County will meet and confer with the Union regarding the impact of Management's decision to contract out services where those services are being performed by current incumbents of affected Unit classifications and where layoffs may be contemplated because of the decision to contract out services.

#### ARTICLE 21 -- REASSIGNMENT

Intra-departmental reassignments of staff will be governed by the following rules, except in cases of emergency:

- A. Employees who desire to be reassigned to specific work locations or shifts within their department may submit a written request for reassignment through the department head, or designated representative. Requests from employees wishing to be reassigned will be given priority insofar as the best interests of the department will permit as determined by the department head. Nothing in this article shall be construed in such a way as to conflict with existing Fresno County Personnel Rules or regulations. Employees awaiting reassignment may withdraw their request for reassignment at any time.
- B. The department shall make a reasonable effort to provide advance notice of proposed reassignment. When advance notice is deemed impossible, the employee shall not be held responsible for any caseload/workload disruption which may occur as the result of an administrative reassignment.

#### ARTICLE 22 -- REPRESENTATION IN COURT

#### ARTICLE 23 -- COURT APPEARANCES

All employees shall receive full compensation as though they were performing their regular duties during such time as they are required to appear as a witness before any Grand Jury or in any court as:

- 1. A juror;
- 2. Witness in a criminal case;
- 3. Witness in a civil case for the purpose of giving testimony as to facts related to or the knowledge of which they have received in the course of their County employment;

The employee shall claim any jury, witness, or other fee to which the employee may be entitled by reason of such appearance and forthwith pay the same over to the Auditor-Controller to be deposited in the appropriate fund of the County. This reimbursement shall not apply to any meal allowance or travel allowance unless the employee has been reimbursed by the County.

Any employee who initiates an action against the County shall not receive paid time for such appearance.

Employees shall not be compensated for performing as a member of any Grand Jury.

Employees summoned for jury duty must be assigned to a Monday through Friday, 8:00 a.m. to 5:00 p.m. schedule. If employee is not required to report or appear for jury duty, he/she may return to his/her regular schedule as early as operationally feasible, as determined by the department.

#### ARTICLE 24 -- NEW EMPLOYEES

Management will supply to employees newly hired or transferred into the Unit the information currently in use supplied by the organization which will advise such employees that the organization is the certified representative of the Unit. Any updated materials supplied by the organization for such purpose shall be subject to advance review and approval by the Labor Relations Manager.

#### ARTICLE 25 -- SHIFT PREMIUM

An employee, who by assignment or by rotation works a **regular** shift, any portion of which occurs between the hours of 7:00 p.m. and 5:00 a.m. is eligible for shift premium and shall be paid, in addition to the basic compensation, an eight percent (8%) premium for all work hours which occur after 7:00 p.m., and before 5:00 a.m. There shall be no shift premium paid during periods of Annual Leave, vacation/sick leave, holiday time off, and temporary reassignment to work hours excluded from shift premium.

Whenever an employee who is **eligible** for shift premium, as defined above, is required to perform overtime work between the hours of 7:00 p.m. and 5:00 a.m., such employee's basic compensation plus the shift premium will be used in determining any cash payment for overtime hours worked.

An employee whose regular eight (8) hour shift begins **and** concludes between 5:00 a.m. and 7:00 p.m. shall not be eligible for shift premium for any regular or overtime hours worked, even if the overtime hours occur prior to 5:00 a.m. or extend beyond 7:00 p.m. Exception: if any employee who works a regular day shift performs an **entire** overtime shift that begins or concludes between the hours of 7:00 p.m. and 5:00 a.m., he/she is eligible for shift premium for that overtime shift for all work hours which occur after 7:00 p.m. and before 5:00 a.m. Additionally, employees working a regular day shift flexible work schedule which extends into the hours of 7:00 p.m. to 5:00 a.m. shall not be eligible for shift premium.

## ARTICLE 26 -- STANDBY

Employees who are placed on standby shall be compensated for time on call at the rate five dollars (\$5.00) per hour. Employees who are actually called back to work shall be compensated pursuant to the Call-Back Pay article. Call-Back pay and/or overtime cannot be earned concurrently with Standby pay.

An employee designated as being on standby duty shall remain within a reasonable distance so as to be able to report in a timely manner, shall inform the designated management person of exactly where the employee may be reached or be available via a County device at any time, and shall be in a fit condition to report to work.

## ARTICLE 27 -- CALL-BACK PAY

An employee shall be eligible for call-back pay when all of the following conditions are met:

1. The employee is unexpectedly ordered to return to work and does, in fact, return to work.
2. The order to return is given to the employee following termination of the employee's normal shift and his/her departure from his/her work location.
3. Such return to work occurs no fewer than two (2) hours prior to the established starting time of the employee's next shift.

Compensation for call-backs during each twenty-four (24) hour period shall be the greater of:

1. Two (2) hours at the rate of time and one-half (1½); or
2. Time spent at the work location at the rate of time and one-half (1½).

The rate of pay upon which all above time and one-half (1½) payments shall be made shall be the employee's base rate of pay, unless the overtime meets the definition of overtime under provisions of the Fair Labor Standards Act (FLSA); in the latter instance, overtime shall be calculated at the rate of one and one-half (1½) times the employee's regular rate of pay, as defined by provisions of the FLSA. The fact that the County may initially calculate overtime based on the regular rate of pay for all overtime hours worked does not obviate the County's future exclusive right to differentiate between overtime rates as set forth herein.

This compensation is irrespective of any nonproductive time which may have been worked on that day or in that week.

Employees called back, and who meet the criteria for use of private vehicles, shall be reimbursed for mileage driven to and from home when called back at the current reimbursement rate.

Compensatory time off may be elected subject to provisions set forth in this MOU and the Salary Resolution.

Time spent on a call-back assignment is not considered scheduled work time for purposes of the seven (7) consecutive work day provision in the Overtime article.

#### ARTICLE 28 -- COMPUTER PROGRAMMING MODIFICATIONS

Notwithstanding any language in this MOU to the contrary, the respective articles of this MOU which will involve modifications to existing computer programs of the County shall not become effective until the beginning of the payroll period following the completion of such modifications. Furthermore, the provisions of this article shall not be used to extend the effective date of salary changes.

#### ARTICLE 29 -- NEW EMPLOYEE ORIENTATION

The County agrees to maintain, within budget constraints, during the term of this MOU, a Human Resources-sponsored New Employee Orientation (NEO) program for newly hired County employees.

Representatives of the Union may provide a 25-minute presentation at each Department of Human Resources-sponsored NEO, at a time specified by the County, where new employees in a classification represented by this unit are in attendance. The Union agrees to give the County copies of the materials to be used in the session, which shall include, but are not limited to, this MOU, a Union membership application, and a list of shop stewards, including their departments and/or work areas and telephone numbers. The County shall provide the Union with 10 days advance notice of an NEO. The County reserves the right to have a management representative in attendance; however, the County and Union agree that neither party will be unduly disruptive during the Union's presentation.

It is understood that if the Union steward/officer wishes to make such presentations on behalf of the Union, the steward/officer shall be required to use his/her own annual leave for the presentation if it falls within his/her normal workday. When reviewing such requests for annual leave, the department will adhere to County and departmental policies regarding the use of annual leave.

In accordance with AB119, the County shall provide to the Union, within 30 days of hire date, electronic notification of the name, job title, department, work location, work, home and cell phone numbers, home address, and personal e-mail addresses of any newly hired employee in a classification represented by this unit, if provided by the employee.

The County shall continue to provide this information to the Union every 120 days for all employees of this unit.

#### ARTICLE 30 -- OVERTIME

All employees covered by this MOU shall be paid at the rate of time and one-half (1½) for overtime hours worked. In determining whether overtime hours have been worked, only productive work hours (actual hours worked) shall apply. Overtime is authorized work performed by employees in excess of their regularly scheduled daily straight-time hours, or over forty (40) straight-time hours in a work week, which will be paid at time and one-half (1½) of the employee's **base** rate of pay

("County" overtime) unless the overtime meets the definition of overtime under the provisions of FLSA. In the latter instance, overtime shall be calculated at the rate of one and one-half (1½) times the employee's **regular** rate of pay, as defined by provisions of the FLSA ("FLSA" overtime). Hours worked in excess of an employee's regularly scheduled daily straight-time hours paid as "County" overtime shall not be included for purposes of determining the application of any weekly "FLSA" overtime or double time overtime, as an employee must work forty (40) hours of straight-time before being entitled to "FLSA" overtime. At the end of the pay period, overtime will be calculated based on daily "County" overtime rate and the weekly overtime provisions of the FLSA. Should the calculated "FLSA" overtime be greater than the calculated "County" overtime, an adjusting entry (earn code 90-FLSA OT) shall be made, and the employee will receive the greater amount.

Consistent with other provisions of this MOU and the Salary Resolution, overtime shall also include all authorized consecutive hours worked in excess of an employee's regularly scheduled daily straight-time hours, and which extend into a new day. This provision shall include hours worked before or at the end of a normal work schedule. However, overtime paid in this setting shall not be included in any overtime/double-time overtime computation for regularly scheduled work hours on the new day.

Overtime may be paid in cash or accrued as Compensatory Time Off (CTO) as outlined in the following Compensatory Time Off article contained in this MOU.

#### Double Time

Should employees of this Unit be scheduled by management to work more than seven (7) consecutive work days of at least eight (8) hours per day, commencing on the eighth (8<sup>th</sup>) day, the employee will be compensated at two (2) times their base hourly rate for overtime hours worked until such time as two (2) consecutive days off are received. This payment shall only apply when the employee has been scheduled by management and ordered to work more than seven (7) consecutive work days, and does not apply when the work is as a result of the employee volunteering.

To clarify which employees are volunteers, each current employee shall be provided a form upon which to waive eighth (8<sup>th</sup>) day overtime eligibility. Employees may either complete the form, thereby indicating waiver or discard it. Employees who return the form shall not be entitled to double-time pay for the eighth (8<sup>th</sup>) consecutive day worked nor days thereafter. Employees may rescind such waiver in writing prior to their scheduled shift.

### ARTICLE 31 -- COMPENSATORY TIME OFF

Employees covered by this MOU in the departments of Social Services, Public Health and Behavioral Health may accrue a combined maximum of Compensatory Time Off (CTO) and holiday balances up to a maximum of 60 hours (24 of which may be Holiday Accrual). Employees may request to be paid in cash at any time for accrued hours. Use of CTO shall be at a time mutually agreed upon by the employee and the department head or his/her representative. CTO and holiday balances may be paid off annually in cash at a time selected by the department head at his/her discretion.

Employees shall not be allowed to accrue any additional hours until their combined hours fall below the maximum sixty (60) hours. Additionally, prior to any promotion or departmental transfer, employees must either cash out or use all accrued CTO and Holiday Time Off balances.

### ARTICLE 32 -- CONTINUITY OF OPERATIONS

Continuous and uninterrupted service to the citizens of Fresno County, and orderly employee/employer relations between the County and its employees are essential considerations of this MOU. Therefore, the Union agrees on behalf of itself and those County employees which it represents both individually and collectively, that there shall not be any strikes, picketing, boycotting, work stoppages, sit-downs, sickouts, speed-ups, slow-downs, or secondary actions such as refusal to cross picket lines or any other concerted refusal to render services or to obstruct the efficient operations of the County or refusal to work, including refusal to work overtime, or any other curtailment or restriction of work at any time.

The County shall not utilize a lock-out technique in its employee/employer relationships.

### ARTICLE 33 -- BILINGUAL SKILL PAY

Employees are eligible for bilingual skill pay of \$50.00 per pay period. Designated Bilingual Skill Pay positions are at the sole discretion of the Department Head. Positions designated/eligibility shall be governed by the Fresno County Salary Resolution.

Pay Provisions:

1. Bilingual Skill Pay shall be paid in the amount of \$50.00 per pay period and will not be paid when the entire pay period consists of annual leave and/or unpaid leave.
2. Employees shall be paid in the amount of \$50.00 per pay period regardless of the number of languages they are certified for.

### ARTICLE 34 -- PROCESS TIME

Eligibility Workers may request up to two (2) hours per week as process time to complete work associated with their respective caseload. Requests for process time shall be submitted in writing. In their request, the employee shall outline the work that will be addressed and anticipate completing. The respective supervisor may either accept or reject the request. If the request is denied the supervisor shall outline the reasons for denial.

Process time shall be strictly used for processing work except in cases in which an assigned client drops into the office or as directed by management to fulfill operational needs. If the preapproved processing time is interrupted due to operational need, the employee may work with the supervisor in an attempt to schedule an alternative time.

Process time is not intended to be on-going or continuous; rather, it is to be requested on a week-to-week basis as necessary.

Management reserves the right to discontinue process time at any time. A two-week notice, if practicable, may be given to impacted employees. Such discontinuance and/or any provision of this Article shall not be appealable or grievable. Management agrees to discuss any changes to process time with the Union.

### ARTICLE 35 -- CLASS SPECIFICATIONS

In the event class specifications for classifications covered in this Unit are revised, the County agrees to provide the Union with copies of the revised specifications as soon as they are promulgated. Such copies shall serve as notice to the Union relative to impact bargaining. At the Union's request, the County will meet and confer on the impact of changes to class specifications for classifications covered by this Unit.

### ARTICLE 36 -- SAVINGS CLAUSE

The provisions of this MOU are declared to be severable and if any section, subsection, sentence, clause, or phrase of this MOU shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses and phrases of this MOU, but they shall remain in effect, it being the intent of the parties that this MOU shall stand notwithstanding the invalidity of any part. Should any portion of this MOU be found invalid or unconstitutional, the parties will meet and confer to arrive at a mutually satisfactory replacement for the portion found to be invalid or unconstitutional.

### ARTICLE 37 -- FLEXIBLE SPENDING ACCOUNT

The County agrees to maintain a Flexible Spending Account plan pursuant to relevant provisions of the Internal Revenue Code and to continue paying the enrollment and administrative fees.

### ARTICLE 38 -- LEAD WORKER DIFFERENTIAL

Lead Workers are defined as having the responsibility of assigning, reviewing, and coordinating the work of other staff in an organization wherein management has determined the need for such a role.

Eligibility Worker III's and Social Worker Aides assigned by management to perform Lead Worker duties as defined above involving the leading of one (1) or more employees shall be paid a \$100.00 per pay period differential.

Persons designated by management to receive this differential do so at the pleasure of management and assignment decisions designating or removing designation are not grievable or appealable to the Civil Service Commission or subject to challenge in a court of law.

Lead Worker differential will be paid for an entire pay period inclusive of Annual Leave or other paid off-duty time based on the assumption the Lead Worker responsibilities are assumed for the entire pay period and are not assumed by another individual during the Lead Worker's time off. If another individual is assigned by management to perform Lead Worker duties in the absence of the previously designated employee, a pro-rated differential based on the actual number of shifts worked in that capacity shall be paid to each.

3. Any employee participating in the County’s Health Benefit Program must enroll in one of the Health Insurance Plan(s), unless an employee chooses to opt out of the County’s Health Benefit Program.

4. Unless otherwise court ordered, eligible employees may choose to opt out of the County's Health Benefit Program (including any related life insurance program) by completing the Opt Out Form and by providing written proof that they have medical coverage from another group health insurance plan. In addition, the employee must verify that a discontinuance of the County's Health Benefit Program does not constitute a violation of any court order or legal obligation. Eligible employees may only opt out during the designated open enrollment period for each respective Health Benefit Plan Year as defined by Human Resources or via a qualifying event (must be turned in within 30 days of the effective date of other group health insurance). Group health insurance plan is defined as employer-sponsored medical coverage.

Employees granted Bereavement Leave shall only be paid for any work hours regularly scheduled but not worked. For example, an employee who regularly has Fridays off is not eligible to use Bereavement Leave on a Friday.

Employees must maintain active payroll status to be eligible for Bereavement Leave. Active payroll status is defined as receiving any type of pay from the County (e.g. Annual Leave, Sick Leave, Vacation). If an employee is not receiving any pay from the County, they are deemed to be on inactive payroll status and not eligible for Bereavement Leave (e.g. unpaid leave of absence). Employees may substitute Bereavement Leave for available Annual Leave when integrating with State Disability Insurance.

Employees may request use of Annual Leave when the employee desires additional time off for bereavement-related purposes. Approval by the Department of total Bereavement Leave hours permitted (including any additional Annual Leave requested) will be based on operational need.

Employees taking Bereavement Leave shall submit a written statement under penalty of perjury on the Leave Request and Certification Form.

SEIU – LOCAL 521  
UNITS 3, 4, 12, 22, & 36  
EMPLOYEE GRIEVANCE RESOLUTION PROCEDURE

The Employee Grievance Resolution Form shall be available on the Department of Human Resources website, through the individual departments and SEIU – Local 521. No changes shall be made to the form without the mutual agreement of the Union and the County.

Before filing a grievance, be certain to read this entire procedure, including the definitions.

**PURPOSE**

It is a mutual obligation on the part of administrative, supervisory and non-supervisory employees of the County of Fresno to provide efficient and continuous services to the public. Employee morale is an important factor in maintaining a high level of public service, and administration has a responsibility to provide an orderly and expeditious method for resolving problems, which may arise from working relationships and conditions. This procedure is intended to provide an orderly method for processing grievances in the interest of obtaining a fair and equitable solution.

**GENERAL**

The parties so involved must act in good faith and strive for objectivity, while endeavoring to reach a solution at the earliest date and at the lowest step in the process. The processing of a grievance shall be considered as County business, and the employee and his/her representative shall have reasonable time and facilities allocated. The use of County time shall not be excessive, nor shall this privilege be abused. The aggrieved employee(s) shall have the assurance that filing of a grievance will not result in reprisal of any nature. A grievance shall be signed by the affected employee, and a group grievance shall be signed by a minimum of two (2) employees affected by the grievance. Grievances filed pursuant to another administrative remedy provided by County Charter, Civil Service Commission rules, Personnel Rules, discrimination complaint procedure, or otherwise provided by law, shall not be processed and written notice shall be provided by the Labor Relations Division to the employee or his/her representative.

**TIME LINES**

Time lines are designed to quickly resolve a grievance. It is realized, however, that on occasions the parties concerned may be unable to comply with the established time lines. In such instances, the time lines may be extended, or the grievance may be held in abeyance upon the mutual agreement of all parties concerned. Absent such agreement, failure by the aggrieved employee to abide by the prescribed time limits at any step provided herein shall terminate the grievance process and the matter shall be deemed resolved. The grievance shall no longer be processed and written notice shall be provided by the Labor Relations Division to the aggrieved employee. The County shall abide by the prescribed time limits; any failure to do so shall result in the grievance being automatically moved forward to the next step provided herein, unless the next step is Step 5. However, the employee or his/her representative may withdraw the grievance at any time.

Any dispute among the parties concerning procedural matters (e.g. timeliness, jurisdiction, grievability) shall be raised as early in the procedure as possible. Such matters shall not prohibit the parties from scheduling a conference/meeting in order to facilitate communication and obtain further clarification of the issue. Such conference/meeting may include Labor Relations Division staff, if requested by either party.

### **STEP 1 - INFORMAL RESOLUTION**

Preceding the formal grievance procedure outlined in Step 2, the employee shall discuss the matter informally with the lowest ranking immediate supervisor whose job classification is not included in the same certified representation unit. This discussion shall be sought by the employee not later than ten (10) working days after the alleged grievance occurred or was discovered.

The provisions outlined in Steps 2 and 3 shall not restrict the employee or the immediate supervisor from seeking advice and counsel when it appears that settlement can be reached informally. No settlement shall be made in violation of an existing rule, ordinance, or memorandum of understanding. The immediate supervisor shall respond in writing to the employee within ten (10) working days of his/her discussion with the employee.

### **STEP 2 - DEPARTMENT REVIEW**

If a mutually acceptable solution has not been reached during Step 1, and the employee intends to pursue the grievance formally, the employee shall submit the grievance in writing on the Employee Grievance Resolution Form to the Department Head with a copy to the Labor Relations Division not later than ten (10) working days after the supervisor's written response. The Department Head shall consider the grievance and render a written decision within ten (10) working days of receipt of the formal grievance. The written decision shall include a clear and concise statement including the reason(s) for the decision.

The Department Head may hold a meeting with the employee to achieve any of the following purposes: 1) to identify why the employee feels there is a grievance and facilitate communication and resolution; 2) to clearly identify issues and areas of agreement/disagreement; and 3) to have the parties present whatever available information/ documentation necessary to fully attempt to resolve the grievance. The employee may be accompanied by his/her shop steward during the Department Review, provided that the steward is in the same department as the employee, and has been identified by the employee on the Employee Grievance Resolution Form. If the department, in consultation with the Labor Relations Division, determines that the grievance is outside of the Department Head's authority, or the grievance involves employees working in separate departments, then such grievance shall be submitted to Step 3.

### **STEP 3 - LABOR RELATIONS REVIEW**

Grievances unresolved at Step 2, or grievances involving matters outside the Department Head's authority, or grievances involving employees working in separate departments may be submitted to the Labor Relations Division for resolution. If the grievance has been reviewed at Step 2, the Labor Relations Division will attempt to mediate the grievance between the parties concerned.

If the grievance has been referred directly to the Labor Relations Division without having gone through Step 2, Labor Relations will consider the matter, write a response to the grievance, and

send the written response to the employee or his/her representative (as indicated on the Employee Grievance Resolution Form). A request for Labor Relations Review must be received by the Labor Relations Division within ten (10) working days of the completion of Step 2, or within ten (10) working days of the completion of Step 1 for grievances involving matters outside the Department Head's authority, or involving employees working in separate departments.

All processing of the grievance at Step 3 shall be completed within ten (10) working days from receipt of the request for Labor Relations Review, unless mutually waived. The employee may be accompanied by his/her shop steward during Labor Relations Review, provided that the steward is in the same department as the employee, and has been identified by the employee on the Employee Grievance Resolution Form.

#### **STEP 4 - MEDIATION**

Grievances unresolved at Step 3, may be submitted to Mediation upon written request by the employee, or his/her representative, to the Labor Relations Division within ten (10) working days of the completion of Step 3. Should mediation be requested, the parties shall obtain the services of a Mediator from the State Mediation and Conciliation Services in an effort to mediate grievance resolution before Step 5 may be pursued. The parties shall not divulge in any form the offers made in mediation. The employee may be accompanied by his/her shop steward during Mediation, provided that the steward is in the same department as the employee, and has been identified by the employee on the Employee Grievance Resolution Form.

#### **STEP 5 - GRIEVANCE HEARING OFFICER REVIEW**

Grievances unresolved at Step 4 may be submitted to Grievance Review. The Union shall contact State Mediation and Conciliation Services within ten (10) working days following mediation, to obtain a list of persons willing to serve as a Grievance Hearing Officer, with a copy to the Labor Relations Division. The cost of the Grievance Hearing Officer shall be borne equally between the Union and the County.

A pre-hearing conference with the Grievance Hearing Officer and the parties shall be set on the day of the hearing immediately preceding the hearing. The purpose of the conference is to identify issues to be resolved and remedy(ies); to determine jurisdiction or grievability; stipulate to uncontested facts and documents; to identify whether or not the potential decision can be implemented or is appealable; to review the process and conduct of the hearing; and to identify any potential problems. The Grievance Hearing Officer shall state in writing the factual findings and reasons for his/her decision within thirty (30) calendar days of the hearing, if possible.

#### **STEP 6 - IMPLEMENTATION**

If the remedy requested by the employee can be implemented by the Department Head, the decision of the Grievance Hearing Officer is final and subject to Step 7, as set forth herein. If the remedy requested by the employee cannot be implemented by the Department Head but requires action by the Board of Supervisors, the Grievance Hearing Officer shall issue a recommendation to the Board of Supervisors. The recommendation shall be submitted for consideration by the Board of Supervisors at its next regularly scheduled public meeting. The action of the Board of Supervisors shall be final and binding.

## **STEP 7 - JUDICIAL REVIEW**

Final decisions of the Grievance Hearing Officer may be submitted to the Superior Court for judicial review by either the County or the employee. A party desiring to reserve the right to appeal the Grievance Hearing Officer's decision in a court of law pursuant to these rules has the burden of preserving the record of the hearing. A party who plans to use a court reporter shall inform the other party within three (3) calendar days of the hearing to avoid duplication of costs. Appeal from decisions by the Grievance Hearing Officer shall be on the record of the Grievance Hearing Officer's review by administrative mandamus under California Code of Civil Procedure Section 1094.5, which appeal shall be filed within ninety (90) calendar days after the Grievance Hearing Officer's decision.
